

Trailblazer

Product Benefits:

- A very uniform high-yielding romaine for Salinas and Southwest Desert growing regions
- A color spectrum that is very desirable for romaine heart and salad plant producers

Product Features:

- Uniformity
- Heavy Weight
- Thick Texture
- Unique light green/yellow color

VARIETY: Trailblazer

TYPE: Romaine

REGION: Salinas & Desert

WET DATES*:

Salinas: 12/20 - 3/15
7/25 - 9/5

Desert: 10/5 -11/15

Trailblazer is a superior, uniform, heavy weight and classic PIC type for the winter harvest period. Trailblazer has a unique blend of light green outer leaves to yellow internal leaves that provides salad producers the perfect look for a classy bag of romaine lettuce or a bag of hearts.

* Information provided is suggested, based on trial results to date. Performance may vary under different field conditions and cultural practices. Always consult with your Pinnacle Seed representative for specific information about your particular growing situation.

Trailblazer is the exclusive property of Pinnacle Seed, Inc. Under no circumstances shall the seed or plants grown from the seed be propagated, reproduced, multiplied or distributed without express written consent from Pinnacle Seed, Inc.

US Patent: In Process
